with a maiden-name index of women

New Bedford Free Public Library
New Bedford, Massachusetts

All obituaries that appear in the Standard-Times are indexed. A funeral notice is indexed when it appears without an obituary. When a corrected obituary appears, it replaces the original obituary in the index.

Married women are listed under their married name and, in part 2, alphabetized by their maiden names.

All names begin with a capital letter to keep them in proper alphabetical order.

Nuns are listed under their surnames and under "Sister" with their religious names at the beginning of part 1.
